THE ROLL OF HONOR.

Parting farewells were said last Friday to the first contingent of Garrard's quota to the National Army, as they left for Camp Zachary Taylor. Headed by fife and drum, the first ten marched to the station, where friends and relatives were gathered to say "goodbye, take care of yourself, and hurry back".

The above cut shows the boys just before leaving. They are, reading from left to right, Ben Wood, Lancaster; Jas. H. Ralston, Paint Lick; J. William Swope, Lancaster; J. Edward Holtzclaw, Gilberts Creek; D. Chennault, Elmore, Lancaster; Mike Simpson, Coy; Hollis Warren, Lancaster; Andrew J. Benge, Bryantsville; William C. Layton, Paint Lick; Ira Hamilton, Lancaster; M. R. Lemay, (substitute) Bradshaw Mill. (photo by Estes)

Dr. V. G. Kinnaird.

Dr. W. L. Carman

Garrard County is proud of the two young physicians who have gone forth to give their talent to suffering soldiers, and uphold the best traditions of their profession. It is a well known fact that some of the best surgical and medical work of the European War is being done by Americans, and Garrard has given two who will be second to none. The heroism of the medical profession has been attested by all nations. On the reeking battle field, in the noxious trenches, among the maimed, shattered and dead, braving shot and shell, succoring the stricken, binding the wounds, Drs. W. L. Carman and V. G. Kinnaird have gone to take their places with their brotherhood. Both are eminently fitted for their work, Dr. Carman being a graduate of the Louisville Medical School and having enjoyed an extensive practice for several years in this County. Dr. Kinnaird is a graduate of Jefferson and served as house physician at Pennsylvania General and Kings County Hospitals. For the past two years he has practiced at Lancaster. We are proud to send two who are so much needed and we give them up with a hearty Godspeed.

TRAGIC DEATH

M. Smith Baughman Killed By Rival Candidate For Sheriff At Stanford.

Ed Hubbard, Republican nominee for Sheriff of Lincoln county, shot to death M. S. Baughman, Democratic nominee for the same office, at 10 o'clock Monday morning. The killing occurred just in front of the First National Bank in the midst of a large Court day crowd.

Baughman was shot three times in the head and death was almost instantaneous. Ill-feeling had existed between the two men for some time and it reached white heat this morning when Hubbard distributed among the Court day crowd a printed circular headed, "Was He Right?" in which Hubbard sets forth Baughman's expense account, as filed for the primary.

Hubbard was distributing these bills in the First National Bank Monday morning when Baughman came in and asked him if he (Hubbard) meant to intimate that he had lied. Hubbard replied by saying that he did not mean to intimate anything, but that records would show for themselves.

S. H. Baughman, a brother of the dead man, was with him at the time and they walked out on the street together.

What words passed between them at this time were not overheard, but Hubbard was seen to motion Baughman away from the front of the bank. Baughman walked about ten feet until he was directly in front of the Penny drug store. Hubbard then went out in the middle of the street and began firing.

Hubbard gave himself up to Sheriff J. G. Weatherford and was taken to jail. A few minutes later Sheriff Weatherford and Deputy W. S. Dryer drove him to another county.

Mr. Baughman was one of the best known men in Lincoln county, and was a member of a prominent Central Kentucky family. He had served as Sheriff once before and was the successful

Democratic candidate in the last primary.

He is survived by a widow, who was Miss Effie Dunn of Danville, and by five children.

PATRIOTIC WEEK

IN THE STATE.
GREAT PICNIC SEPTEMBER 29, 1917.
IN LANCASTER.

In the recent meeting The Council of National Defense for the State arranged for a patriotic week to be observed throughout the state. Every County in the State will arrange the necessary steps to have meetings in each County on this week beginning with Tuesday, September 25th, and closing the week with a grand picnic some where in each County on Saturday, September 29th. We will have in Lancaster on Saturday the largest gathering of people seen in Lancaster for many years. Everybody is expected to bring a basket of lunch and be prepared to spend the day. A number of speakers will be on hand to address the people on all subjects touching our preparation and prosecution of the war.

We will next week announce the speaking dates in various sections of the County as they will be arranged. It is not only the duty but the privilege of every citizen to cooperate in bringing the people together to talk over what can be done to help the country in this hour. Don't forget that Saturday, September 29, 1917, will be a big day in Lancaster and make your arrangements to be with your friends on that day.

Has it ever occurred to you that a worn-out range wastes money in burning too much fuel and spoiling food? A range expert who will have charge of the MAJESTIC DEMONSTRATION during the week commencing Monday, Sept. 17, will show you how the MAJESTIC range cuts down household expenses.

CONN BROTHERS.

Altho the end of the summer is near, there was a considerable number of automobiles sold by the dealers last week, considering the lateness of the season. Several years ago people had the idea that an automobile could be used only for pleasure riding during summer months, but they are beginning to realize more and more every day the fact that machines are just as necessary in the winter as in any other season of the year. During the past week the garages have been unusually busy with repair work and all report a good trade.

CITY PROPERTY SELLS.

At the Public Sale of the Mrs. Sallie McCormack residence on Danville Street held by Swinebroad the Real Estate Man, on last Saturday, the property was purchased by R. C. Scholler for \$4275.00.

MAYOR DAVIDSON AND PRES- ENT COUNCIL CANDIDATES FOR RE-ELECTION.

There will be upon the city ballot to be voted for at the November election the names of L. G. Davidson, present Mayor, candidate for reelection, James Dalton, W. T. West, W. O. Goodloe, J. L. Davis, Sam Cotton and Wesley Zanone, candidates for councilmen. This council has done some splendid work for the city since they have been in the service of the public. They have just completed the work in having installed one of the best electric light systems in the State of Kentucky at perhaps the lowest rate. They have had a long battle with the telephone question, and the Court of Appeals in two suits has upheld their contention. The question of permanently fixing the telephone rates is just now before the council in a form that may be settled and the people's rights duly protected, and the people of the city who are interested in having reasonable rates and good service should look into the conditions before making up their minds as to who should be elected to serve the City for the next two years. There has been some activity against the present council, and it is our opinion that the people should permit this council who are familiar with the work and who have been so faithful in performing their duty to continue until they complete this important job. Everybody knows how this council stands and what they will do if re-elected, but we have heard no proposition from any one else. We have not been advised as to the plan of the opposition and it is a very good rule to let well enough alone.
